Annual Conference

25th/26th August 2018

mantra
at sharks

The 2018 RAM Conference will be held at the Institute for Glycomics on the Gold Coast Campus of Griffith University (Glycomics) with the Conference dinner at nearby Mantra at Sharks Hotel.

The Conference starts lunch time Saturday and runs until midday Sunday, to allow travel within the weekend. Day one will focus on a global perspective, RAM principle programs and research reports and Day two will focus on the malaria vaccine PlasProtect® being developed at Glycomics, RAM program development and planning. Conference participants will be able to:-

- Review RAM programs in PNG, Solomon Islands, and Timor Leste.
- See latest research on new drugs, effective vaccine, vector control strategies and new diagnostic techniques that will contribute to malaria elimination.
- Receive a report on the developments and the communiqué from the World Malaria Congress, where Rotary and RAM will be represented.
- Help shape RAM's future programs and strategic directions.

Invited Speakers include Mr Tim Freeman RAM PNG Project Manager, Mr Albino Bobogare Director NVBDCP. Solomon Islands MoH, Prof. Denis Shanks (AAMI), Prof Michael Good (Glycomics), Prof Tom Burkot (AITHM), Assoc Prof Helen Evans (Convener WMC.) Prof James McCarthy (QIMR Berghofer) Assoc. Prof Harin Karunajeewa (WEHI) and more....

Registration and accommodation details are listed on Page 2.

Glycomics in conjunction with the Australian Army Malaria Institute has agreed to host an interactive malaria lab experience for limited numbers of participants, in two sessions, from 9:30am and 11:00pm Saturday 25th as a pre-Conference complimentary option.
