

MALARIA AWARENESS DAY (April 30th)

Suggested Activities

Suggestions by which a club or group of clubs or district may wish to raise the awareness of malaria in their area:

- Invite a guest speaker for an online meeting or webinar to speak on malaria (contact rampr@rawcs.com.au);
- Instead of presenting the guest speaker with a gift, donate the dollars towards the purchase of mosquito nets;
- At any District Conference or online training scheduled, include a speaker on malaria;
- Post on social media using the hashtag #ZeroMalariaStartsWithMe and a photo of you holding up a sign with the word 'zero' on it, or a photo of a bed net display
- Watch a webinar about World Malaria Day – follow our social media for further information;
- Plan a special dinner over Zoom and invite other clubs to participate;
- Encourage your Rotaract and Interact Club/s to get involved;
- Place an article in your local press;
- Arrange an interview with your local Community Radio Station.
